Canada’s Premier Controls Distributor

YORKLAND CONTROLS
LINE CARD

Yorkland is a full-service Controls parts and System solutions distributor specializing in warehousing heating, ventilation, air conditioning, and combustion control.

BUILDING ENERGY & OPERATIONAL INFORMATION MANAGEMENT FOR COMMERCIAL AND INDUSTRIAL

Yorkland can deliver integrated automation and operational technology with our metering and data acquisition hardware and software for monitoring, verification, sub-metering, asset and building automation control.

THE HARDWARE		THE CONNECTIVITY	
Metering and Flow	Accuenergy, Badger, Dwyer, Honeywell, Johnson Controls, Carlo Gavazzi	Managed Switches	Johnson Controls, Phoenix Contact
Smart Starters and VFDs	Johnson Controls, Honeywell	Fiber OT Network	Phoenix Contact
Critical Environments	TriaTek by Johnson Controls	Secure Remote Connectivity implemented at scale	Honeywell, J2 Fin, Johnson Controls, SkyFoundry
Smart Hazardous Gas Detection	Belimo, Honeywell, INTEC Controls, Johnson Controls	Secure VPN for remote access to service and engineer	TosiBox
Smart Combustion	Honeywell, SLATE, Thermal IQ	THE SOFTWARE - Hosted onSite or Cloud	
Smart Energy Valves	Belimo	Analytics and FDD	SkySpark, Honeywell, Project Haystack, E2Optix
IOT Sensors	Monnit, Passive Logic, Terabee	Combustion	Honeywell Thermal IQ Cloud
IP Controllers	EasyIO, Honeywell, Isma Controlli, Johnson Controls, Phoenix Contact	Maintenance Management and Asset	Honeywell, SkyFoundry
Smart Panels	Yorkland Controls, Phoenix Contact	Unified User Interface	Honeywell, Periscope, SkyFoundry
We are an authorized distributor for major manufacturers and products		BACnet Anayltics	Honeywell, Johnson Controls, Optigo
